TEAM BUILDING

X-TREME TEAM-BUILDING CHALLENGE

Corporate team building at Game-X is unlike anything you have ever experienced before. Dozens of interactive elements and four player competition games provide countless team building opportunities. Face off against departments, challenge your boss, or keep score with our round-robin tournaments. Game-X mixes business with pleasure! We can accommodate small teams or large offices for a retreat like nothing else.

X-TREME CHALLENGE

Dozens of interactive elements and four player competition games provide countless team building opportunities. How about a friendly challenge against co-workers, your boss, or just keep score with our high-score contests. Each person has a turn on Dead Heat Race Cars, Fast & The Furious Super Bikes, Skee Ball and NBA Hoops. The team with the overall highest score wins! (number of games played is determined by number of players)

SCAVANGER HUNT

This team building is a timed event to see which team gets the highest points in the time window provided. Each team is given a list of problems to solve that will pertain to Game-X. Teams will receive points for the correct answers.

TICKET CHEER

Teams play to win as many tickets as they can. Each team will additionally come together to create a team cheer, which will be judged by staff. The team with the highest combined score wins.

These packages must be booked in advance through our event sales manager. Tax and service charge are not included. Day and time restrictions may apply. Revenue minimums may apply. Team-Building includes X-card, 10 person minimum. (Games range from 4 to 14 chips each play. Add on one hour of unlimited simulation play for \$10 *given as a secondary card.) One referee will be assigned with the above challenges. Additional referees are available per request at \$30/hour.
